THE BALI LIFE FOUNDATION & KARMA CHARITY

A small charity with a big heart, the Bali Life Foundation, is dedicated to providing love and care to the disadvantaged of Bali. Bali Life run a number of inspiring projects, including a children's home, an initiative that supports street kids, a women's centre, a sustainability project and an education programme. Across all of its work, Bali Life gives dignity and purpose to unprivileged children and adults across the island.

As 12 Days of Karma kicks off, we take a moment to come together and spread goodwill in a gesture of altruism that gives back to the island that has given us so much. You may have noticed Christmas trees placed throughout the resort - at reception, at di Mare restaurant, and at our clifftop spa. Each tree is decorated with festive wishes and the smiling faces of kids from the Bali Life Foundation. On Tuesday, December 24, we'll welcome the children to Karma Kandara, where they will be singing carols at di Mare during Christmas Eve dinner and then receive a special visit from Santa directly following.

We'd like to invite guests to donate IDR 300k to our giving tree initiative, which will be used to purchase the gifts for the children to be handed out by Santa. Your generous donation will help spread the festive cheer to kids who need a little extra TLC this festive season.
