WINE LIST

Welcome to Veritas experience!

We are very proud at Karma Kandara
to present our wine list.

We've had lots of fun compiling a diverse list of wine to include many of our favorite names from around the world and have tried to balance our list with wines from both the Old world and the New world, offering different grape varieties, blends and styles.

There is elegance and strength, fruits and crispiness to please every palate and taste!

WINE BY THE GLASS

Welcome to the world of Enomatic

The Enomatic system allows wines to be stored in perfect condition, ready for you to taste at your leisure.

The flavors and characteristics of the wine remain intact as the system utilizes two temperature controlled areas and a state of the art dispensing mechanism which protects from oxidation. You can enjoy a tasting of several high end wines from our diverse selection without the need to purchase an entire bottle – you can even turn your dinner into something quite special by having a wine tasting before.
