An artistic illustration of three skewers of tandoori chicken hanging vertically. The chicken is golden-brown with charred spots and garnished with fresh green basil leaves. Below the skewers, a large, dark, oval-shaped clay oven sits on a sandy beach, with bright orange and yellow flames rising from its base. In the background, there's a serene beach scene with a blue ocean, a clear sky with soft clouds, and several palm trees on the right side. The overall style is painterly and vibrant.
