## **Dudhsagar Waterfalls**

The majestic cascade of white water, gushing over the steep, nearly vertical face of the mountain from a spectacular height of 1017ft; is both breath taking and awe inspiring, making one aware that there are many forces in nature much more powerful than the human mind and body.

The name 'Dudhsagar' literally translates to 'sea of milk' which many believe is an allusion to the white spray and foam that the great waterfall creates as it cascades into the waters of the lake. The falls are at their zenith during the monsoon season, although they are a popular attraction all year round.
